If the meet is not oversubscribed and space allows, we will accept entries from swimmers who fall outside of the Upper Limit Times, however they will not be competing for placing medals, they will be swimming for 'Time only'.

For 'Time only' entries, clubs will need to provide the swimmers' name, their Swim England membership number and a list of events that the swimmer wishes to enter, before the entry window closes.

27. Any refund the club makes will be processed up to 4 weeks after the Meet and will be sent to the relevant competing club(s) for them to organise internally.
28. In the unlikely event that the pool becomes inaccessible or unusable, the event will be rescheduled. No refunds will be offered, however all accepted entries will be invited to swim in the rescheduled Meet.

37. Swimmers are advised to take minimal amounts of clothing and personal affects onto poolside. We ask that you only take a small bag onto poolside with the essentials. There is sufficient locker storage in the changing village which requires a £1 coin. This is refundable upon reopening the locker. If you bring anything too large onto poolside, we or the Centre staff may ask you to remove your items into the lockers. The reason for this is that a build-up of belongings can restrict the ventilation on poolside.
38. Competing clubs will be advised whether there will be sufficient space poolside to allow swimmers to use chairs, after the entry window has closed.
39. Food and hot drinks will not be allowed on poolside, under any circumstances.
40. Swimmers, officials and other individuals must not stand on the raised floor in the smaller pool.
